

# TEACHER'S CHOICE

## What is Teacher's Choice?

- Teacher's Choice is an automated video-on-demand service that allows teachers to select and schedule programs that can be televised directly into their classrooms
- Programs can play instantaneously or they can be scheduled up to 14 days in advance for play at a later time
- A daily menu listing of pre-ordered titles are shown on the assigned channel between scheduled broadcasts
- The channels available for viewing are: 25, 27-28, 31-32, 34-38
- Teachers select and schedule the programs that will be televised into their classrooms
- Teachers can use the automated system anytime and anywhere, even from home, just login to [www.wlrn.org/internetbooking](http://www.wlrn.org/internetbooking)

## How to order videos online?

- Logon to Teacher's Choice Online booking at [www.wlrn.org/internetbooking](http://www.wlrn.org/internetbooking)
- Enter your M-DCPS employee number as your login ID number
- To search for a video title, select any of the following listings: category, alphabetical or numerical
- Schedule videos to play immediately, or schedule them to play at a later time
- Under the event listing you can see all the videos that are scheduled under your own or all the scheduled videos for a given date
